

BELLEVUE HIGH SCHOOL

We pledge to work toward achieving the following conservation goals in 2002-03.

I. WASTE REDUCTION AND RECYCLING

Goals: Increase recycling rate to 60 percent. Decrease solid waste by 10 percent.

II. WATER CONSERVATION

Goal: Reduce school water use by 20 percent.

III. ENERGY CONSERVATION

Goal: Reduce school energy consumption by 3 - 5 percent.

IV. ENVIRONMENTAL PURCHASING

Goal: Replace one existing product with an environmentally-preferable substitute.

V. LITTER REDUCTION

Goals: Reduce litter by 50 percent. Decrease custodial time spent on litter by 10 percent.

We the undersigned hereby pledge to actively and creatively support Bellevue High School's efforts to achieve the goals listed above.
